TWICK OF THE CLOCK

An abstract graphic design featuring the text "TWICK OF THE CLOCK" in a tall, condensed, sans-serif font. The text is rendered in a dark red color. Overlaid on the text is a complex, chaotic arrangement of red lines and geometric shapes. These elements include long, thin rectangles, triangles, and irregular polygons, some of which are tilted at various angles. The lines and shapes appear to be layered, creating a sense of depth and movement. The overall composition is centered horizontally and occupies the middle portion of the image.
